Built to Supply, Committed to Safety.

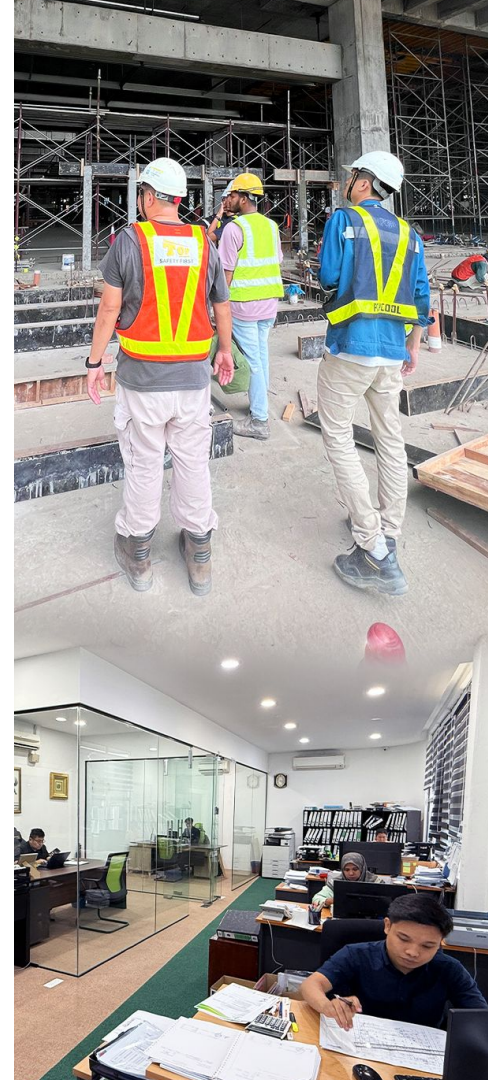

Company Overview

TSYL Marketing Sdn. Bhd. is a trusted trading company specializing in **air-conditioning insulation materials, accessories, and building supplies**. With a strong foundation established in 2009, our company continues to build upon years of experience and technical expertise gained through the TSYL brand.

We are committed to providing high-performance, energy-efficient, and safety-focused insulation solutions for HVAC systems used across commercial, industrial, and residential projects. Our dedication to quality, service reliability, and innovation positions us as a preferred supplier within Malaysia's construction and mechanical industries.

Headquartered in **Kuala Lumpur** with a branch office in **Kuching, Sarawak**, we serve clients nationwide with prompt delivery, consistent stock availability, and competitive pricing.

Vision

To be the leading provider of high-performance and energy-efficient insulation materials in Malaysia, delivering solutions that combine innovation, quality, and safety to support sustainable building performance.

Mission

To supply innovative and reliable insulation solutions for HVAC and construction industries, enhancing energy efficiency, occupant comfort, and fire safety while upholding sustainability and professional excellence.

Core Values

Integrity

We conduct business with honesty, transparency, and respect.

Quality

We provide only the best materials that meet industry standards.

Safety

Every product and process prioritizes safety and reliability.

Innovation

We embrace continuous improvement and smart solutions.

Customer Commitment

We build long-term relationships through dependable service.

Sustainability

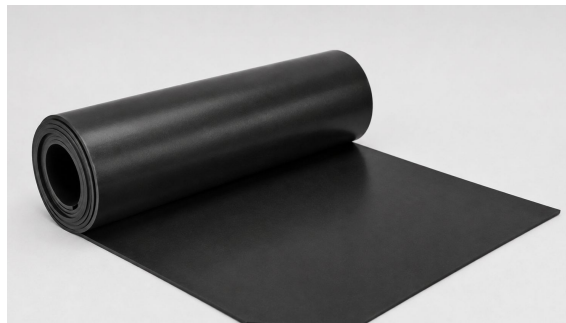

We support environmentally responsible solutions for a greener future.
